

SAMICK DIGITAL

Samick SDP-10 Digital Console Piano

The SPD-10 has a modern look and a beautiful cabinet with sliding keyboard cover, high quality sounds and a realistic hammer-action keyboard. The dynamics and the accuracy of the sounds, together with the natural response of the keyboard provide the quality and feel of a grand piano. The compact size with no requirement for regular maintenance or tuning make this instrument ideal for school or home use.

SUPERB PIANO AND ORCHESTRAL SOUNDS

Designed for all types of musician these instruments offer a very high quality Grand Piano sound at power up but also incorporate a total of 9 sounds carefully selected to satisfy any requirements. The available voices feature a rich range of very important sounds including Acoustic and Electric pianos, Harpsichord, String Ensembles, Vocals, Organs and Guitar sounds and more. All sounds can be layered to create your favorite sound combinations.

ONBOARD EFFECTS

There are three different types of built-in Digital Reverb that simulate different playing environments, from small rooms to theatres. You can also add a Chorus effect.

RECORDING STUDIO

An easy-to-use Two-Track Recorder enables the player to make two digital recordings. The two tracks can be stored separately and played back one at the time or simultaneously.
