

SAMICK DIGITAL

Samick SSP-10 Digital Piano

Designed with simplicity in mind, this piano frees the player from learning a complex operating system and focus on playing. This piano offers the tone and touch of an actual grand piano thanks to its 88-key graduated hammer action that replicates the touch of an actual. Its high-quality stereo samples faithfully reproduce a superb grand piano sound as well as 15 other sounds. So when looking for a great digital piano for your home, school or church, look no further than the Samick Model SSP-10.

SUPERB PIANO AND ORCHESTRAL SOUNDS

Designed for all types of musician this instrument offer a high-quality Grand Piano sound at power up but also incorporate a total of 16 sounds carefully selected to satisfy any requirement. The available voices feature a rich range of important sounds including Acoustic and Electric pianos, Harpsichord, String Ensembles, Vocals, Organs and Guitar sounds and more. All sounds can be layered to create your favorite sound combinations.

ONBOARD EFFECTS

There are three different types of built-in Digital Reverb that simulate different playing environments, from small rooms to theatres. It is possible to add a Chorus effect

RECORDING STUDIO

An-easy-to use Two-Track Recorder enables the player to make two digital recordings. The two tracks can be stored separately and played back one at a time or simultaneously.
